**Response to Notice of Non-Compliant Amendment**

Commissioner for Patents  
P. O. Box 1450

Dear Sir:

On October 16, 2008, a Notice of Non-Compliant Amendment was mailed. The Notice indicated a reason of not providing proper claim status identifiers on all pending claims. Applicant has carefully reviewed all pending claims and submits that proper claim status identifiers are present in each pending claim. Each pending claim is identified as either Previously Presented or Original. Claims 73-82 are identified as Cancelled. No other identifiers are proper at this time. Applicant traversed the Restriction Requirement of May 28, 2008 and only provisionally elected certain claims. Because of the traversal and provisional election, no claims are actually withdrawn at this time. Only after the traversal is denied and the restriction continued are claims actually withdrawn.

Application No. 10/699,588

Response to Notice of Non-Compliant Amendment of October 16, 2008

Applicant therefore submits that the amendment was fully compliant with the requirement for claim status identifiers. Withdrawal of the Notice is requested.

Respectfully submitted,

October 24, 2008
